Newspaper/Radio/Television Interviews (2)

1. 2008. Interviewed on Tuesday February 5th on Timber Talk, a radio program broadcast from 100.5 FM *KZHE* in Magnolia, Arkansas. Timber Talk is a popular radio program that informs, educates, and updates landowners, as well as the general public, about forestry to benefit our forest community through educational interviews with national professional leaders promoting forest stewardship. Timber Talk broadcasts on four radio stations, three primary FM stations in south Arkansas and one AM station. It is the only forestry related media that reaches all sectors of the public. Timber Talk's airing coverage includes 42 counties in Arkansas, 7 counties in Texas, 6 parishes in Louisiana, and 4 counties in Oklahoma. The program continues to grow in popularity with over 2,400,000 population coverage in south Arkansas, north Louisiana, and northeast Texas. Past interviews are maintained on the Timber Talk web site with over 5,000 monthly hits received by www.timbertalk.com. "Purpose and Services of the Louisiana Forest Products Development Center, the importance of value-added products to Louisiana and cooperation with the Calhoun Research Station & Louisiana Tech." Interview can be found at: <http://www.timbertalk.com/Listen%20to%20Past%20Shows.htm>
2. 2008. Shreveport Times. Interviewed for an article on the housing slump and outlook for wood products industry in the nation and in Louisiana. "Nationwide Market Forces Squeeze Local Industries." By Melody Brumble. January 14.
