

11 March 2014

SENT TO LSU AGCENTER/LOUISIANA FOREST PRODUCTS DEVELOPMENT CENTER - FOREST SECTOR / FORESTY PRODUCTS INTEREST GROUP

## 2014 SEVERANCE TAXES ARE SET

*from the La Forestry Association*

The Louisiana Forestry Commission set stumpage values to be used for timber severance tax computations. These values are in effect for January 1, 2014 through December 31, 2014. The sawtimber and chip-n-saw regular severance tax rate is 2 1/4 percent of the sawtimber stumpage value. The pulpwood regular severance tax rate is 5 percent of the stumpage value.

Product	2014 Stumpage Value (\$)		Severance Tax (\$)	
Pine sawtimber	244.56/mbf	30.57/ton	5.50/mbf	0.69/ton
Hdwd sawtimber	352.45/mbf	37.10/ton	7.93/mbf	0.83/ton
Chip-n-saw	48.94/cord	18.12/ton	1.10/cord	0.41/ton
Pine pulpwood	22.22/cord	8.23/ton	1.11/cord	0.41/ton
Hdwd pulpwood	22.43/cord	7.87/ton	1.12/cord	0.39/ton

### FORESTER'S DIRECTORY NOW AVAILABLE

*from the LASAF at <http://lasaf.homestead.com/home.html>*

A PDF file of the *Directory of Louisiana Foresters* is available at the LASAF web site—<http://lasaf.homestead.com/home.html>—by clicking on the “Louisiana Foresters Directory” link in the upper left hand corner.
