About the 69th FPS International Convention:

The 69th Forest Products Society (FPS) International Convention will be held June 10-12, 2015 at Atlanta’s Georgia World Congress Center alongside SFPA Expo 2015—the 33rd Forest Products Machinery & Equipment Exposition. The annual International Convention is the premier event for professionals in the forest products industry. The Convention brings together hundreds of scientists, design professionals, managers, decision makers, and others from academia, government, nonprofit, and private industry sectors to discuss the state of forest products research and learn about innovations in the field.
