SENT TO LSU AGCENTER/LOUISIANA FOREST PRODUCTS DEVELOPMENT CENTER - FOREST SECTOR / FORESTY PRODUCTS INTEREST GROUP

While sitting in my recliner at home, I stumbled upon an article titled “Digging Deeper into-Executive Order -- Planning for Federal Sustainability in the Next Decade”. This sent me on an hour-long journey through Executive Orders, documents, links, and snippets that relate directly to where the U.S. may be going in a number of related areas. So, here are some salient links, sites, definitions, etc. I was able to copy/paste. Regards, Rich

<https://www.whitehouse.gov/the-press-office/2015/03/19/executive-order-planning-federal-sustainability-next-decade>

<https://www.whitehouse.gov/administration/eop/ceq/initiatives/sustainability>
