SENT TO LSU AGCENTER/LOUISIANA FOREST PRODUCTS DEVELOPMENT CENTER - FOREST SECTOR / FORESTY PRODUCTS INTEREST GROUP

Below, please find two links to the Virginia Tech - U.S. Forest Service housing market commentaries for April 2016. I apologize for the lateness due to a personal emergency. These files contain in-depth data and comments on the U.S. housing market.

Part 1: Main: <http://woodproducts.sbio.vt.edu/housing-report/casa-2016-04a-april-main.pdf>

Part 2: Economic conditions: <http://woodproducts.sbio.vt.edu/housing-report/casa-2016-04b-april-econ-cond.pdf>

The housing report is a free service of Virginia Tech, Virginia Cooperative Extension, and the U.S. Forest Service. The reports are intended to help gauge future business activity. All past housing reports are archived at: <http://woodproducts.sbio.vt.edu/housing-report/>.

To assure receipt of the report, please add this mail's sender address to your address book.

For those of you who receive a suspicious email alert/warning when receiving the housing commentary, you may take the following steps to receive the commentary:

1. Open the housing commentary email
2. Click on the "Junk" icon
3. You have three options to select from in the dropdown, choose 1:
 - a. Never block sender
 - b. Never block sender's domain (@example.com)
 - c. Never block this group or mailing list

Also, we apologize for some distorted fonts in Section I. We are also working on a method to expedite the delivery of the monthly housing reports.

Please let us know if you have any comments or questions.
