

A New FutureMetrics Interactive Dashboard

This new free to use dashboard shows the cost build up across the entire pellet fuel supply chain. The user can change numerous inputs. The dashboard updates in real time.

Both the pellet fuel producer's and the utility end user's estimated cash flows are shown in gauges and on a waterfall chart.

FutureMetrics™

FutureMetrics is

the leading
consultancy

in the pellet fuel sector.

The dashboard can be opened from
the FutureMetrics website.
